EDUCATION

PRANVEER SINGH INSTITUTE OF TECHNOLOGY

Bachelor of Technology
Major in Computer Science with Artificial Intelligence;
GPA: 6.74

KANPUR, INDIA

Nov 2021 - Jul 2025

CENTRAL ACADEMY

Intermediate School
Grade: 88%

LUCKNOW, INDIA

May 2020 – May 2021

UNIVERSITY PROJECTS

MEDI MATCH AI (Generic medicine recommendation system)

- Developed Medi-Match AI, an intelligent healthcare platform designed to match patients with suitable medical professionals based on their specific health conditions and preferences.
- The system leverages machine learning algorithms to provide personalized recommendations and improve patient outcomes.

ECHO (Sign language and hand gesture translator)

- Developed an advanced AI-driven hand gesture recognition system aimed at improving human interaction.
- Implemented machine learning algorithms to enhance the accuracy and reliability of gesture recognition.

YouTube Clone (MERN Stack – MongoDB, Express.js, React.js, Node.js)

- Improved a video streaming platform during college as a team project using MongoDB, Express.js, and Node.js.
- Worked on frontend and backend to implement video upload, playback, search, and user authentication.
- Planned UI components using React.js and backend APIs using Node.js and Express.js.
- Managed video and user data securely using MongoDB.

PERSONAL PORTFOLIO

- A modern Portfolio web app which displays the information about my personal portfolio.
- Technology used- HTML, CSS, JS.

CERTIFICATES

- Object Oriented Programming using Python (Infosys Springboard)
- HTML5 - The Language (Infosys Springboard)
- Programming in Python (Infosys Springboard)

TECHNICAL SKILLS

Programming Languages: C, C++, JavaScript, Python, SQL, Java

Frontend Technologies: HTML5, CSS3, React.js

Databases: MySQL, PostgreSQL, MongoDB, Joins, Indexing, Query Optimization

DevOps & Tools: Git, GitHub, Postman, VS Code, Linux

Core Computer Science: Object-Oriented Programming (OOP), Data Structures & Algorithms

Soft Skills: Rapport Building, People Management, Fluent communication

Languages: English, Hindi
